Participant Consent Form

Title of Project: Kita Evaluation

Name of Researcher:

Please
initial or
tick box

I have read the information about the study. I understand what it is about and have had time to think about it and ask any questions I wanted.

☐

The researcher has explained what the study is for, what I will be doing, and anything that might feel difficult, and I understand it all.

☐

I understand that I will be taking part in a focus group discussion and answering questions about my experiences of using Kita.

☐

I know that taking part is my choice. I can stop at any time before or during the discussion without needing to give a reason, and nothing bad will happen if I stop.

☐

I understand how my information will be used, and that only the researchers will see what I say. They will not share them with anyone else unless they have concerns about me or someone else.

☐

I agree to take part in the study.
